

Quail Club Hunting Procedures

ONLY QUAIL CLUB MEMBERS ARE ALLOWED TO HUNT ON OUR GROUNDS

Wild game may be hunted on the Quail Club grounds while in season. Members must obey all State of Illinois hunting regulations including daily and possession limits.

No wild Bobwhite Quail hunting will be permitted on Quail Club grounds due to attempts to reestablish Bobwhite Quail populations.

Put and take Quail hunting will be allowed during the upland game season. Hunters may harvest the legal bag limit of 8 quail per day. Hunters must have in their possession a valid Illinois Game Bird Breeders Permit to legally possess live captive raised game birds.

Hunters must check in and out and indicate hunting location at sign in station. At end of hunt all harvested game must be logged in.

Any violations of hunting procedures will be brought to the attention of the Quail club board for appropriate action.
